DECLARATION OF PLAINTIFF D. GEORGE SWEIGERT

NOW COMES THE PLAINTIFF to offer this sworn declaration in support of Plaintiff's motion for a sixty (60) day continuance pursuant to Federal Rules of Civil Procedure (F.R.C.P.) Rule 56.2.

1. The undersigned has received a USB "jump drive" that contained 137 video files in the .MP4 format was received via postal authorities delivered to GENERAL DELIVERY, NEVADA CITY, CALIFORNIA on May 17th, 2021. No other file media types were observed on the USB "jump drive", only video media files.
2. Reviewing these files has indicted that the USB "jump drive" contains approximately 43.5 gigabytes of information. This review took place on a TOSHIBA laptop with a Celeron Intel processor 900 using the Windows VISTA Home Basic (32 bit SP 1) operating system. As part of the video file inspection process the undersigned "clicked" on each video file to engage a video player.
3. The undersigned observed that the file size does not necessarily translate to the length of the video program. For instance, a video file of 1,580,683 KB may be one hour and ten minutes long (1:10.00) and a video file of 668,091 KB may also be one hour and ten minutes (1:10.00) long as well.
4. The USB file directory displays video files as a "QuickTime Video File". The file names appear to be confusing and it is difficult for the undersigned to understand the indexing scheme of these files. A typical file is labeled "2019-02-10-20-18-38 Live 1,845,431 KB (kilobyte). When accessed, a video player displays the file media.

5. Thirty-three (33) of the video files appear to be interviews between the Defendant and David Charles Hawkins, White Rock, British Columbia, which range in run time from one (1) hour to one (1) hour and ten (10) minutes (1:00.00 – 1:10.00). The undersigned estimates that it will take approximately forty (40) hours just to watch the content of these 33 videos. This estimated duration represents merely watching the content and does not account for stopping the video player to make notes.

6. Twelve (12) of the video files appear to be interviews with Mr. Hawkins by the Defendant which range in run time from forty-eight (48) minutes to fifty-five (55) minutes. The undersigned estimates that it will take approximately thirteen (13) hours to watch this content. This estimated duration represents merely watching the content and does not account for stopping video player to make notes.

7. Seventy-seven (77) videos appear to be screen captures of someone directing the browser to a YouTube channel entitled “Prepper Kitty Intel”. The screen capture operator selects a video to be played and allows the video to display from the said YouTube channel. This group of videos have a duration in length (run time) of approximately four (4) minutes to six (6) minutes.

8. After selection, or clicking, on **ALL** the video files contained on the USB drive no videos were observed that contained content with **Michael Barden (targeted individual), Brian Vukadinovich (counter lawfare experts), Jared and Elizabeth Beck (attorneys), Oakey Marshal Ricjards, aka “MR. HUDSON”, George Webb Sweigert (co-host), Kevin Marsden (Poland), Harmon Wilfred (New Zealand) or Quinn Michaels (co-host).**

9. The undersigned recalls that the Defendant made approximately twenty (20) videos with **Quinn Michaels, aka Korey Atkins**, that discussed the undersigned. (See **Exhibit ONE**) These video files were not included in the USB “jump drive” (missing).

10. The undersigned recalls that the Defendant made at least five (5) videos with **George Webb** discussing the undersigned. This includes the Port of Charleston “dirty bomb hoax” video of June 14th, 2017. Another such video featured **George Webb** and the Defendant communicating **Quinn Michaels** in Mt. Shasta, California (July 2017). These video files were not included in the USB “jump drive” (missing).

11. The undersigned recalls that the Defendant made about five (5) videos discussing the undersigned with **Oakey Marshall Richards**, aka “MR. HUDSON”. These video files were not included in the USB “jump drive” (missing). (See **Exhibit TWO**)

12. The undersigned recalls that the Defendant made about five (5) videos discussing the undersigned with **Michael Barden**. These video files were not included in the USB “jump drive” (missing).

13. The undersigned recalls that the Defendant made about five (5) videos with **Brian Vukadinovich** discussing the undersigned. These video files were not included in the USB “jump drive” (missing).

14. The undersigned recalls that the Defendant made at least three (3) videos with **Jared and/or Elizabeth Beck** discussing the undersigned. These video files were not included in the USB “jump drive” (missing).

15. The undersigned recalls that the Defendant made at least four (4) videos with **Harmon Wilfred** that discussed the undersigned. There is one such a video included in the USB “jump drive”. The other video files were not included in the USB “jump drive” (missing).

16. On June 2, 2021, the undersigned exchanged seven (7) e-mail messages with **George Webb Sweigert** to have same sign a sworn statement or deposition. In all seven (7) replies to

Mr. Webb-Sweigert provided evasive and non-sensical replies. This creates an impression for the undersigned that obtaining a statement will be difficult for the undersigned.

17. The undersigned believes that Mr. Webb-Sweigert is presently staying with his son, Dr. **Joshua Kinglsey Sweigert**, an internist at the U.C.L.A. radiology institution in West Los Angeles, near Santa Monica, California. Attempts are being made to contact Dr. J. K. Sweigert to locate Mr. Webb-Sweigert.

18. The undersigned is in the process of hiring a Maryland licensed private investigator to determine the address for **Corean Elizabeth Stoughton in Hanover, Maryland** for service of a Rule 45 subpoena for her deposition. The undersigned is presently in discussions with a Maryland based law firm to negotiate a limited engagement for the purpose of questioning **Ms. Stoughton** in the format of a deposition. The undersigned is validating an address for Ms. Stoughton in Jacksonville, Florida where her son is allegedly a junior high school substitute teacher. It is believed that Ms. Stoughton may attempt to stay with her son in Florida to evade process. These conditions have complicated the process to serve **Ms. Stoughton**.

19. The undersigned presently has exchanged e-mail messages with the legal representatives of Twitter.Com to obtain copies of tweets posted by the Defendant with regards to the undersigned. Twitter is requesting a Rule 45 subpoena and the undersigned is working along these lines to obtain the proper subpoena. The proposed Rule 45 subpoena will also seek information on the **@georgWebb** Twitter account that has allegedly been hijacked by **Ms. Stoughton** in addition to the Defendant's tweets.

20. The undersigned will need additional time to clarify exactly what Ms. Stoughton implied when she sent an e-mail message to the Defendant objecting to his use of the phrase "dead beat dad" and attributing such a phrase to her. (See **Exhibit THREE**).

21. As the Court will recall, the Defendant placed his JASON GOODMAN YouTube channel on an offline hidden status creating the non-availability of 2,333 videos April 12, 2021. The undersigned has exchanged e-mail messages with the legal counsel of YouTube, LLC to obtain copies of video content that has not been turned over by the Defendant as part of his discovery obligations (see aforementioned names of co-hosts). Again, this will require a Rule 45 subpoena.

22. The Plaintiff is having difficulty understanding the universe of “associates” to whom the undersigned has supposedly worked with or collaborated with. For example, in Statement #1 (Dkt. 278) the issue of “Sweigert and his associates”, to include the founder of the QAnon conspiracy theory Manuel Chavez, III, will remain in dispute as the undersigned does not know the names of these so-called associates. This issue requires more definitization by the Defendant as to the exact names of associates for whom the undersigned worked or collaborated with. This is required so that the undersigned can collect the necessary affidavits from such parties.

23. The same is true with regards to Statement #3 (Dkt. 278) as well. No information has been presented by the Defendant as to what “stuff” was handed over to the Federal Bureau of Investigation (F.B.I.). It would be extremely helpful if the Defendant could provide a date and time of when he contacted the F.B.I. This information should include the location of the F.B.I. field office and the telephone number he called. Statement #3 alleges the inclusion of “George Webb” in the information given to the F.B.I.

24. The undersigned believes that it is critical to the determination of whether or not the Defendant expressed a mere opinion (as asserted by the Defendant in **ECF doc. 279**) or was in fact engaged in an investigation with the F.B.I. To this end, the Plaintiff is left without any

indication as to the nature or extent of the so-called investigation, which the Defendant purportedly initiated. F.B.I. thresholds for investigations should be considered here.

25. The undersigned has reviewed the ATTORNEY GENERAL'S GUIDELINES ON GENERAL CRIMES, RACKETEERING ENTERPRISE AND DOMESTIC SECURITY/TERRORISM INVESTIGATIONS and has observed that “on some occasions the FBI may receive information or an allegation not warranting a full investigation -- because there is not yet a "reasonable indication" of criminal activities, or the FBI may initiate an "inquiry" involving some measured review, contact, or observation activities in response to the allegation or information indicating the possibility of criminal activity”.

26. The undersigned remains perplexed as to what exactly the Defendant was a “reasonable indication” of criminal activities. The Defendant should certainly be able to state an articulable suspicion of the activity complained of, which would be of immense assistance to the undersigned in determining how to respond to **ECF doc. No. 279**. Stating that “all that stuff has gone to the F.B.I.” indicates the Defendant transmitted artifacts to the F.B.I.

27. The undersigned continues to wonder what exactly were these artifacts? The Defendant should be able to state the artifacts that he transmitted to the F.B.I. Without such a statement, the coercive threat that someone “had better stop it” or else “stuff will go to the F.B.I.” presents a problematic issue for this Court in determining the level of protected petitioning activity of the Defendant. Without more details, such statements appear to be coercive in nature and directed at the Plaintiff, which have nothing to do with any type of “inquiry” or interest by the F.B.I.

28. The undersigned believes that the Defendant’s communications may have been little more than a crank phone call to the so-called F.B.I. Believing that something may be illegal is not the same as “turning all that stuff over to the F.B.I.” which does not create an inference of

opinion. Rather, it creates the impression that perhaps the F.B.I. requested artifacts from the Defendant. There is no way to determine if such a statement is a mere opinion or protected activity without further definitization. (See **Exhibit Seven**) *“I have submitted my evidence against you to the NY FBI field office and anticipate they will contact you soon. If you’d like to challenge me in civil court, I invite you to file your complaint.”* and *“You are hurting yourself by generating a growing collection of evidence that indicates very strongly that you are engaged in an organized criminal harassment campaign against me personally as well as other serious potentially criminal offenses.”* Defendant 3/30/2018 [emphasis added]

29. The same is true for Statement #5 (**Dkt. 278**). Defendant has not supplied the name or position of supposed post office officials he had spoken with. It will be nearly impossible for the undersigned to corroborate the Defendant’s account that he spoke to someone at the post office. The undersigned needs to have a better understanding of the personnel that were contacted, as in postal inspector, postmaster, location of office, etc.

30. The same is true for Statement #6 (**Dkt. 278**) regarding the phrase “threatening” a federal judge. The undersigned is attempting to acquire printed copies, or paper-based copies, of the indictments issued by Larry Klayman, esq. and Jason Goodman as part of the CrowdSource The Truth “Citizens’ Grand Jury”. The undersigned has not been able to locate the actual documents that served as an “indictment” that was produced (as shown in video content) by Klayman/Goodman (Defendant). (See **Exhibit FOUR**)

31. Defendant has not elaborated on whether he is still in possession of the so-called “burner” cellular phone that his associate **Oakey Marshall Richards** (aka MR. HUDSON) told him to acquire. It would be most helpful to have the telephone number of such a “burner” phone. If the

Defendant has discarded the “burner” phone, it would be helpful if same was clearly stated. (See **Exhibit TWO**)

32. The undersigned requires additional time to address the Defendant’s conflagration of the undersigned with “associates” to include Robert David Steele of Fairfax, Virginia (**ECF doc. 279**). As shown in **Exhibit FIVE** the Defendant was put on notice in late 2017 that the undersigned had no relationship with Robert David Steele or his attorney (Steve S. Biss). Further discovery is needed to identify how the Defendant has created this conflagration of “associates” following the dozen of so e-mail messages that assert the same point of view as **Exhibit FIVE**. Without further definitization of this matter, the undersigned will not be able to provide an adequate defense to **ECF doc. no. 279**.

33. The Plaintiff believes that this Court will be unable to determine the nature of the Defendant’s speech with regards to public advocacy vs. settling personal scores or grievances. The undersigned believes that evidence of using “public advocacy” speech in settling personal scores by the Defendant is germane to this lawsuit. The volume of artifacts to demonstrate such “personal grievances” will require time to scan the Internet for specific examples. The undersigned believe it is possible to obtain such evidence and provides **Exhibit SIX** of the character, tone and quality of such artifacts. See **Exhibit SIX**.

34. The Plaintiff believes that a demonstration of “personal score settling” will invalidate lofty arguments of “free speech”, “Investigative journalism”, “public advocacy”, etc. This will be, in the Plaintiff’s opinion, a core issue to the anti-SLAPP assertions. This speaks directly to identifying the Defendant’s speech which are directed to the Plaintiff and not the public. The Court, in the view of the undersigned, will need to adjudicate speech related to public advocacy, petition, or public-interest news vs. settling old scores.

35. Signed this third day of June (6/3) of two thousand and twenty-one (2021) under penalties of perjury.

I am going to correct the record. This is a serious allegation and forces me to have to contact you back. I DID NOT SAY THOSE WORDS. During the time I knew Dave, I know he sent his ex-wife money in the form of a check, multiple times, to help her care for their son. As his son is an adult, he was under no obligation to do that, but did so bc that's what he wanted to do. In most people's opinion that would be the opposite of a "dead beat Dad". What I likely said, was that Dave felt some guilt that he wasn't there to raise his son. This is a true statement. If you inferred from that, Dave is a "dead beat Dad", that's your problem. I know I never said those words. Your other problem, is that you blasted that on Twitter, and multiple times. No matter, I'm not responsible for your actions.

Don't allege serious false allegations against me, and I won't have a reason to contact you.

Subject: Evidence Preservation Notice

TO WHOM IT MAY CONCERN:

I represent Plaintiffs, Robert David Steele and Earth Intelligence Network ("Plaintiffs"), in connection with an action pending in the United States District Court for the Eastern District of Virginia, Richmond Division, styled Robert David Steele and Earth Intelligence Network v. Jason Goodman, Patricia A. Negron and "Queen Tut", Case 3:17-cv-601-MHL (the "Virginia Litigation").

On December 1, 2017, Mr. Steele received the attached email via a general business email box, contact@unrig.net.

The email appears to have been sent by someone or something called "mailto:spoliation-notice@mailbox.org".

Please be advised that my clients are not affiliated or associated in any way with the sender of the email or with any organization putatively called "mailbox.org". My clients had no input in the preparation of the email. My clients do not agree, adopt or endorse in any way the statements in the email. My clients did not request that any email be transmitted to "Ladies and Gentleman" at any "offices" for any reason. Indeed, my clients had no knowledge of the email until it was received at contact@unrig.net.

Specifically, my clients did not and do not request any "Evidence Preservation" on any records "held by your organization" for any reason. I also point out that discovery has not begun in the Virginia Litigation as there has been no Rule 26f conference.

The email states that the "target of this evidence preservation" is Jason Goodman, CHELSEA MERCANTILE BUILDING, 252 7th Avenue, No. 6S, New York, NY 10001. The email further states as follows: "Of primary concern is any documentation in your possession that would indicate that Mr. Goodman is authorized to conduct business operations in this apartment. This would include copies of certificates of occupancy, business licenses, etc. Mr. Goodman collects electronic wire transfers to support a YouTube conspiracy and hoax show known as "Crowd Source The Truth". Mr. Goodman is presently a defendant in a federal lawsuit in the courts of Virginia for activities related to this show. Allegations range from

slander, defamation to cyber-stalking. Below is a link to the most recent production of his show that purports to question the law enforcement investigation of the Federal Bureau of Investigation (FBI) and Las Vegas Metro Police Department (copied as a courtesy). <https://www.youtube.com/watch?v=2FQUWgsZYa4><https://www.youtube.com/watch?v=2FQUWgsZYa4> During the summer of 2017 Mr. Goodman apparently hosted an individual in this apartment at No. 6S known as George Webb Sweigert as a room-mate, business associate, friend, or other unknown relationship. During broadcasts of Mr. Goodman with Mr. Sweigert an incident was created known as the "dirty bomb hoax" that led to the emergency closure and shut-down of the Port of Charleston, S.C. which prompted the FBI to conduct an investigation of "GEORGE WEBB", as reported in the New York Times and CNN (June 2017). The foregoing underscores the litigation needs for evidence related to this apartment, especially for the previous six months. This also demonstrates the importance of evidence preservation. Therefore, we ask that you safely preserve, archive and protect any and all materials and evidence related to Mr. Goodman and this apartment."

I am in receipt of an email from Jason Goodman dated December 1, 2017 in which Mr. Goodman states, "The anonymous individual sending these messages under the name 'Spoliation Notice' is believed to be David George Sweigart a mentally disturbed person who resides in Mt Shasta CA and has been harassing me over the internet for the past six months. Please disregard the message and / or assist me in prosecuting this individual for cyber harassment."

Rudimentary internet research indicates that "David George Sweigart", aka "Dave Acton", is the brother of "George Webb". <https://www.youtube.com/watch?v=AjGAo20bW8s>. "George Webb" is an individual who is or was associated with Jason Goodman. Mr. Webb, aka "George Webb Sweigart", is a witness in the Virginia Litigation. See <https://www.youtube.com/watch?v=CS0GZaR6b6U&feature=youtu.be>.

My clients are not involved in any way in any dispute between Mr. Goodman and David George Sweigart. However, I join in Mr. Goodman's request that you disregard the "Evidence Preservation Notice", as it has absolutely nothing to do with the Virginia Litigation.

Call or email me if you have any questions at all about the Virginia Litigation or my email. I am copying my colleagues Johan Conrod and Terry Frank at Kaufman & Canoles in Richmond,, Virginia, who represent Defendant, Patricia A. Negron, in the Virginia Litigation. Feel free to reach out to either Johan or Terry to discuss the matter.

If you verify or determine the identity of the sender of the fake email, please provide it to me so I can advise the District Court here in Virginia.

Subject: You are a coward and seemingly insane

David,

You claim to be a brave military veteran, yet like a childish coward, you make dopey videos poking fun at me and send intentionally defamatory (per se libel) emails to third parties without revealing who you are. It is a sad, pathetic situation. Stop harassing me and find something more productive to do. I can see now why your own (also possibly insane) brother would betray you and have sex with your wife. Do you think about his penis entering her? Did he give her his seed? Did she orgasm with George? Perhaps he was able to satisfy her sexually in ways you were unable. What a wonderful time the two of them must have had. The intimacy they shared and the total lack of respect either of them had / have for you is truly staggering. It's one of the worst things I could imagine. You should go somewhere and roll up into a ball and cry about it. Not even your own family members can tolerate you. I spoke with another one of your brothers recently who told me how crazy you are and how that has resulted in him not speaking to you for years. You really should be confined to a mental institution for your own safety and that of others. How you ever convinced a woman to marry you remains a mystery.

Maybe you should just fuck off.

Have a nice day.

Jason

Subject: Re: Warning and Caution Notice

Mr. David George Sweigert,

Mental illness is a serious matter, you need to seek help. You are hurting yourself by generating a growing collection of evidence that indicates very strongly that you are engaged in an organized criminal harassment campaign against me personally as well as other serious potentially criminal offenses. Every person you have CC'd on this message fully realizes that no actual lawyer would send anonymous messages from the "Evidence Collection" department and the messages themselves represent harassment as I have instructed you to terminate communications with me.

I have submitted my evidence against you to the NY FBI field office and anticipate they will contact you soon. If you'd like to challenge me in civil court, I invite you to file your complaint. It will merely save me the filing fees when I counter sue you for the well documented slander and defamation campaign you have been waging which includes per se libel among other civil torts and potential criminal actions on your part.

You are making matters far worse for yourself every day. My friendly advice is that you cease and desist and discontinue your harassment and / or any mention of me or my company moving forward.
